Admission and Students' Assessments procedure:

- Academic Program includes two semesters:
1st semester from September – January.
2nd semester from February – may.
- At the end of each course all applicants will then be reviewed and assessed by Music House who will communicate with all applicants. During this period, all applications will be reviewed based on objective evaluate through criteria such as age, experience, music exam results and recommendations from previous instrumental teachers.
- After the review process selected candidates will be invited to audition. Once all auditions are completed, the Music House will communicate with all parents to advise them of the outcome of their child's application.
- Course timing will be decided according to your suggested preferred timing.
